WELCOME TO THE CAVERSHAM FAMILY

We strive to offer an interesting range of wholesome meals, with a little twist here and there.

We place a strong emphasis on using local suppliers who provide fresh ingredients.

These are then lovingly prepared in our kitchen. If you have any dietary requirements or specific food allergies, kindly let us know.

The lingering memory of superb food will outlive the short wait during the preparation of your meal (a 30 minute wait for main course is average).
